

A large, illuminated blue patio umbrella with integrated LED lights, providing shade and ambient lighting for a group of people sitting at a table outdoors at night. The umbrella's frame is white, and the canopy is a vibrant blue. The integrated lights are visible along the edges of the canopy. Several people are gathered around a small table under the umbrella, some sitting on stools and others standing, all appearing to be in a social setting. The background shows a dark building with large windows, suggesting an urban or resort environment at night.
